

**CURRICULUM VITAE
THOMAS MILLS LASATER**

PERSONAL INFORMATION

Business Address: Brown University Institute for Community Health Promotion
Coro 4-West
1 Hoppin St.
Phone: (401) 793-8316 FAX: (401) 793-8314
E-mail: Thomas_Lasater@Brown.edu

EDUCATION

Undergraduate - 1963 B.S., University of Houston, Psychology
Graduate - 1969 Ph.D., University of Houston, Experimental Social Psychology
Post Graduate 1982 Fellow, Ninth U.S. Seminar on the Epidemiology and Prevention of
Cardiovascular Disease

Dissertation An Examination of the Relationships Among Dogmatism, Cognitive and
Behavioral Changes and Persuasive Communications Within the Context
of a Dental Health Program.

HONORARY DEGREE Masters Degree, Brown University, 1987

ACADEMIC APPOINTMENTS

Deputy Director, National Center of Excellence in Women's Health 2003 -
Adjunct Professor of Family Medicine, Boston University, 2003 -
Director, Institute for Community Health Promotion, Brown University, 2002 -
Professor of Community Health, (Rsch), Brown University, 2002 -
Professor of Community Health, Brown University, 1997- 2002.
Professor of Community Health (Rsch), Brown University, 1991- 97.
Adjunct Associate Professor of Psychology, University of Rhode Island, 1985-91.
Associate Professor of Community Health (Rsch), Brown University, 1985 - 91.
Faculty, Dalhousie University, Summer School on Prevention of Non Communicable Disease (for
Eastern European physicians). Halifax, Nova Scotia, Canada, July, 1993.
Faculty, University of Alberta, 1988 Summer School on Community Health Promotion, 1988.
Assistant Professor of Community Health (Rsch), Brown University, 1982 - 85.
Assistant Clinical Professor of Community Health, Brown University, 1979 - 82.
Assistant Professor of Dentistry, University of Alabama, Birmingham, Alabama, 1969 - 72.
Assistant Professor of Psychology, University of Alabama, Birmingham, Alabama, 1969 - 72.
Lecturer, Psychology Department, University of Houston, 1969.
Teaching Fellow, Psychology Department, University of Houston, 1964 - 69.
National Institute of Dental Research Trainee, University of Houston, 1964 - 69.

GUEST LECTURES/PRESENTATIONS

Boston University	Tulane University
University of Montreal	University of Minnesota
Brown University	Stanford University
Emory University	Tufts Medical School
Harvard University	University of California - Berkeley
University of Heidelberg, W. Germany	University of Connecticut
University of Lowell	University of Houston
Rhode Island College	University of Illinois - Chicago
University of Alabama - Birmingham	University of Rhode Island
University of Alberta, Canada	University of Maryland
National Institutes of Health	

HOSPITAL COMMITTEES

Co-Chairman, Division of Health Education Advisory Committee, 1980 - 86.
 Member, Memorial Hospital of Rhode Island Vice Presidents and Area Directors Committee, 1987 - 95.
 Member, Committee for the Use of Human Subjects in Research, 1986 - 87.

HOSPITAL APPOINTMENTS

Director, Division of Research, Center for Primary Care and Prevention, 1996 – 2002.
 Associate Director, Division of Health Education, Memorial Hospital of Rhode Island, 1981 - 1996.

OTHER APPOINTMENTS

Collaborating Senior Research Scientist, New England Research Institute, Inc.,
 Watertown, Massachusetts, 1994 -
 Project Director - Comprehensive Youth Services Project, Birmingham, Alabama, 1978 - 79.
 Project Director - On The Job Training Project, Birmingham, Alabama, 1978 - 79.
 Project Director - Summer Youth Employment Program, Birmingham, Alabama, 1978 -79.
 Principal Investigator/Proj. Dir. - Parent-Child Development Center, Birmingham, AL, 1974 - 78.
 Evaluation Director - Parent-Child Development Center, Birmingham, Alabama, 1972 - 78.
 Consultant - Birmingham Police Department, Birmingham, Alabama, 1972. (With Dr. Wm. Farrar)
 Designed and taught an eight hour course for all Birmingham policemen.

PROFESSIONAL MEMBERSHIPS

Fellow, Council on Epidemiology and Prevention, American Heart Association
 Member, American Public Health Association
 Member, American Heart Association
 Member, Society of Behavioral Medicine
 Member, Society for Preventive Cardiology
 Member, Society of Professional Health Educators

MAJOR NATIONAL/INTERNATIONAL SERVICE

Member, Membership Committee of the American Heart Association Council on Epidemiology, 2001-
 2003
 Member, Coordinating Committee for the National Cholesterol Education Program (NIH-NHLBI), 1986-
 Liaison, NIH-NHLBI Office of Prevention, Education and Control (Representing CCCDS), 1986 -
 Member, Menses and Bone Scientific Committee. NIH-NICHD, 2002.

- Chair, Working Group on the Feasibility for Outcome Evaluation of Sleep Education Programs. NIH-NHLBI, 2002.
- Member, Know Your Numbers: Think Tank Meeting. NIH-NHLBI, 2002.
- Member, Special Populations Advisory Committee, Women's Health Initiative Trial (NIH), 2000 – 2003.
- Member, National Heart Health Advisory Committee to Health and Welfare Canada, Ottawa, CA, 1991-2003/
- Member, Advisory Board of the Fourth International Heart Health Conference. Japan, 2001.
- Member, Advisory Board of the Third International Heart Health Conference, Singapore, 1997.
- Co-Chair, Working Group on Adolescence. Beyond Hunt Valley: Research on Women's Health for the 21st Century. NIH - Office of Research on Women's Health. New Orleans, LA, June, 1997.
- Co-Chair, Working Group on Community-Based Research "Workshop on Oral Health Promotion Research". NIH-NIDR, Bethesda, MD, May, 1997.
- Symposium Organizer, Costs and Other Policy Implications of Community Programs. 2nd International Heart Health Conference, Barcelona, Spain, 1995.
- Member, Advisory Board of the Second International Heart Health Conference, Barcelona, Catalonia (Spain) - 1994 - 1995.
- Member, Committee on Preventive Cardiology of the American Heart Association, 1993 - 95.
- Member, Assurance Working Group (as AHA representative) of the CVD States Strategic Plan Committee, a collaboration of ASTCDPD, ASTDPHE, ASTPHND, CDC, NHLBI & AHA, 1993 - 94.
- Member, Implementation Committee of the Victoria Declaration (An international set of guidelines for CVD prevention with over 20 nations having formally adopted by summer, 1993), 1993 - 94..
- Member, Program Committee for 3rd Day of the AHA Council on Epidemiology and Prevention Conference, Santa Fe, NM, 1993.
- Workshop on Public Health Approaches to Community-Based CVD Prevention: Executive Summary. National Heart, Lung and Blood Institute, Centers for Disease Control, American Heart Association. Myrtle Beach, SC, September, 1992.
- Member, National High Blood Pressure Working Group on Primary Prevention of Hypertension. NIH-NHLBI, 1992.
- Member, Planning Committee for an Institute of Medicine (IOM) study in the areas of promoting healthful behavior. Institute of Medicine, National Academy of Sciences, Irvine, CA, February, 1991.
- Workshop on Health Behavior Research in Minority Populations: Access, Design and Implementation. Joint NHLBI and Johns Hopkins University workshop to encourage more collaborative minority/health researcher efforts, Washington, DC, July, 1991.
- Workshop on Opportunities for Research on Women's Health. Office of Research on Women's Health, National Institutes of Health, September, 1991.
- Member, Advisory Committee for the Community Health Care Models for Diabetes Prevention and Control. Centers for Disease Control, Atlanta, GA, 1990 - 94.
- Workshop on Research Design for Studying the Health Consequences of Dietary Modification Among Women. Joint NCI and NHLBI workshop to study feasibility and to design a large national research effort (Women's Health Initiative), Bethesda, MD, July, 1990.
- Prevention Research Center (a project of the Pacific Institute for Research and Evaluation). NIAAA Workshop on Methodological Issues in Community Trials for the Prevention of Alcohol Problems, Berkley, California, December, 1989.
- Carter Center (Emory University) National Church Leaders Symposium on Health, Atlanta, Georgia, October, 1989.

- Public Screening for High Blood Cholesterol. An invited workshop to develop national guidelines for cholesterol screening. Sponsored by the National Heart, Lung and Blood Institute of the National Institutes of Health, Bethesda, MD, October, 1988.
- United States/Federal Republic of Germany Workshop on Cardiovascular Disease. (NIH-NHLBI). Washington, D.C., March, 1988.
- Workshop on Methodological Issues in Worksite Health Promotion Research. Invited conference of the National Heart, Lung and Blood Institute, National Institutes of Health, April, 1988.
- Workshop on Decreasing Barriers: A Blueprint for Workplace Health in the Nineties. Invited conference of the American Heart Association, May, 1987.
- Liaison, Coordinating Committee for the National High Blood Pressure Education Program (NIH-NHLBI) (Representing CCCDS), 1986 -91.
- Technical Review Committee to establish guidelines for an RFA for cooperative agreement between a state and CDC to conduct a community-based CVD prevention program (PHS - Centers for Disease Control), 1985.
- Member, Advisory Committee for the Health Promotion and Disease Prevention Project of the University of Connecticut School of Allied Health Professions, 1983 - 87.
- Technical Review Committee to establish guidelines for an RFP to conduct community-wide drug abuse prevention programs (ADAMHA-NIDA/NIAAA), 1983.
- Member, National Advisory Group on Biobehavioral Approaches to High Blood Pressure. This group was established by NIH to provide liaison between the U.S. and the U.S.S.R. on health/high blood pressure, 1982 - 85.
- Member, Coordinating Committee for Community Demonstration Studies (CCCDS) (DHHS - NIH - NHLBI). Other members are Principal and Co-Principal Investigators of the Stanford Heart Disease Prevention Project (John Farquhar, Steve Fortmann and Peter D. Wood), the Minnesota Heart Health Project (Henry W. Blackburn, Russell V. Luepker and David Jacobs), Richard A. Carleton, Thomas M. Lasater and Sonja McKinlay of the Pawtucket Heart Health Project and NHLBI Section Chiefs, 1981 - 94.

REVIEW PANELS

- Member, Review of LOIs for Team Grant Program Applications. Canadian Institutes of Health Research, Health and Welfare Canada, May, 2006.
- Member, Special Emphasis Panel for the review of eight Collaborative UO1 grant applications. NIAMS/NIH. April, 2006.
- Member, SBIR Review Committee, NIH, March, 2006
- Member, Review of Team Grant Applications, Canadian Institutes of Health Research, Health and Welfare Canada, December, 2005.
- Member, SBIR Review Committee, NIH, November, 2005
- Member, Special Emphasis Panel for the review of eight Collaborative UO1 grant applications. NIAMS/NIH. October, 2005.
- Member, SBIR Review Committee, NIH, July, 2005
- Member, Review of LOIs for Team Grant Program Applications, Canadian Institutes of Health Research, Health and Welfare Canada, May, 2005.
- Member, SBIR Review Committee, NIH, March, 2005.
- Member, SBIR Review Committee, NIH, November, 2004.
- Member, SBIR Review Committee, NIH, July, 2004.

Member, SBIR Review Committee, NIH, March, 2004.

Member, SBIR Review Committee, NIH, July 2003.

Member, SBIR review of 63 applications, NIH, March 2003.

Member, Sixteen applications for “Centers of Excellence in Cancer Communications Research.” NIH-NCI, February, 2003.

Member, SBIR Review Committee, October, 2002.

Member, Demonstration and Education (R18) Review Committee, NIH-NHLBI. September, 2002.

Member, NIH-SBIR Review Committee, July, 2001.

Chairman, NIH-SBIR Review Committee, March, 2001.

Member, Working Group to Review Study Sections in the Social Sciences, Nursing, Epidemiology and Methods (SNEM) Integrated Review Group (IRG), NIH-CSR, 2000.

Ad hoc Member, SNEM1 Study Section Meeting, March, 2000.

Member, Massachusetts Department of Health Review of Prostate Cancer Application, October, 2000

Member, NIH-SBIR Review Committee, July, 2000.

Member, Thirteen applications for Transdisciplinary Tobacco Use Research Centers (CA98-019. NIH-NCI, July 1999.

Member, Quebec Dissemination Research Proposal, Health and Welfare Canada, December, 1999.

Member, Alberta Dissemination Research Proposal, Health and Welfare Canada, October, 1999.

Member, Prince Edward Island Dissemination Research Proposal, Health and Welfare Canada, October, 1998.

Member, Nova Scotia Dissemination Research Proposal, Health and Welfare Canada, September, 1997.

Special Reviewer, Community Prevention and Control Study Section. Review of 60 applications. March 1999.

Member, American Heart Association review of applications in response to Phamacological Roundtable, February, 1999.

Member, American Heart Association National Committee to evaluate affiliate grant applications in the areas of epidemiology, behavior change and policy. American Heart Association, March, 1998.

Chairman, American Heart Association National Committee to evaluate affiliate grant applications in the areas of epidemiology, behavior change and policy. American Heart Association, March, 1998.

Member, Site Visit Team for a Nationwide Clinical Trial in Reducing Delay in Stroke Victims. NIH-NINDS. March, 1998.

Member, Site Visit to British Columbia's Heart Health Program Preliminary Dissemination Research Proposal. Health and Welfare Canada. November, 1997.

Member, Site Visit to Newfoundland Heart Health Program Preliminary Dissemination Research Proposal. Health and Welfare Canada. October, 1997.

Member, Ad Hoc Review of 77 applications in response to the RFA “Prevention and Cessation of Tobacco Use by Children and Youth in the US.” NCI. March, 1997.

Chairman, American Heart Association National Committee to evaluate affiliate grant applications in the areas of epidemiology, behavior change and policy. American Heart Association, 1997.

Site Visitor, Program Project (P01 CA75036-01). Colorectal Cancer Screening: A Cancer Control Opportunity. Los Angeles, CA. NIH-NCI, February, 1997.

Member, Contract Review: Planning, Developing, Implementing, and Evaluation of Health Communication Products and Activities for NHLBI Education Programs and other Technology Transfer Activities. RFP-NIH-NHLBI-HO-97-04. February, 1997.

Chairman, Biological and Physiological Sciences Special Emphasis Panel ZRG2 HND Z02. NIH, 1993-1996.

Chairman, Community Prevention and Control Special Emphasis Panel. Review of 52 applications, NEI, NHLBI, NIAAA, NIDDK. June, 1996.

Special Reviewer, NIAAA Study Section (ALCPS). Review of 27 applications. February, 1996.

Chairman, Community Prevention and Control Special Emphasis Panel. Review of 23 applications, NCI, NHLBI, NIDR, NIDDK. February, 1996.

Chairman, Community Prevention and Control Special Emphasis Panel. Review of 33 applications, NCI, NHLBI, NIDR, NICHD, NIDDK. October 1995.

Reverse Site Visit - Physical Activity to Prevent Poor Outcomes Among Rural Women. (A Specialized Research Center Grant). NIH-NICHD. July, 1995.

Reverse Site Visit - NICHD Center for Rural Perinatal Services Research (A Specialized Research Center Grant) NIH-NICHD. July, 1995.

Chairman, Community Prevention and Control Special Emphasis Panel. Review of 18 applications from NCI, NHLBI, NIDDK and NEI. June, 1995.

Site Visit - Prince Edward Island Heart Health Program. An application for dissemination research funds. Health and Welfare Canada. June, 1995.

Site Visit -Nova Scotia Heart Healthy Program. An application for dissemination research funds. Health and Welfare Canada. June, 1995.

Site Visit - Manitoba Heart Health Project. An application for dissemination research funds. September, 1995.

Chairman, Community Prevention and Control Special Emphasis Panel. Review of 33 applications from NCI, NHLBI, NIA, NIDDK, NIAAA and NEI. (NIH), March, 1995.

Chairman, Community Prevention and Control Special Emphasis Panel. Review of 31 applications from NCI, NHLBI, NIA and NIDDK. (NIH), November, 1994.

Review Committee for 20 Community Prevention and Control Special Emphasis Panel applications from NCI, NHLBI, NEI and NIAAA. (NIH), June, 1994.

Site Visit-Heart Health Program Dissemination in Ontario. (Health and Welfare Canada), 1994.

Chairman, Community Prevention and Control Special Emphasis Panel. Review of 16 applications from NCI, NHLBI and NEI. (NIH), November, 1993.

Review Committee for 33 applications in response to an RFA for proposals to improve hypertension control in minorities. (NIH-NHLBI), 1993.

Chairman, Review Committee of 10 applications to an RFP for developing and implementing educational strategies for controlling asthma in inner city and high risk populations. (NIH-NHLBI), 1993.

Site Visit - Heart Health in Alberta. (Health and Welfare Canada), 1993.

Site Visit - Overcoming Barriers and Supplementing Heart Health Innovations in Ontario. (Health and Welfare Canada), 1993.

Site Visit - Breast Screening Program Project. (NIH-NCI), 1993.

Site Visit - Multiple Risk Factors Reduction through Health Risk Appraisals. (Health and Welfare Canada), 1992.

Review Committee for proposals in response to an RFP for Community-based Primary Prevention of Diabetic Eye Complications. (NIH-NEI), 1992.

Site Visit - Newfoundland Heart Health Program. (Health and Welfare Canada), 1992.

Site Visit - Saskatchewan Heart Health Program. (Health and Welfare Canada), 1992.

Site Visit - Morehouse Prospective Study of Cardiovascular Disease. (NIH-NHLBI), 1991.

- Site Visit - A Heart Health Program for Manitoba. (Health and Welfare Canada), 1991.
- Site Visit - A Heart Health Program for Prince Edward Island. (Health and Welfare Canada), 1991.
- Site Visit - Implementation of a Province-wide Heart Health Program in Nova Scotia. (Health and Welfare Canada), 1991.
- Review Committee for 10 applications in response to an RFP for Community Primary Prevention of Alcohol Abuse. (ADAMHA-NIAAA), 1991.
- Review Committee of 36 applications in response to an RFP concerning cholesterol education for low literacy populations. (NIH-NHLBI), 1991.
- Ad Hoc Review Committee for four Demonstration and Education Site Visits. (NIH-NHLBI), 1990.
- Site Visit - Community Prevention Study for Alcohol Problems. (ADAMHA-NIAAA), 1990.
- Site Visit - Morehouse Prospective Study of Cardiovascular Disease. (NIH-NHLBI), 1989.
- Review Committee for proposals to establish Field Centers for Coronary Heart Disease and Stroke in People Aged 65 - 84 years. (NIH-NHLBI), 1987.
- Review Committee for proposals to carry out the national education programs in the areas of blood pressure, blood cholesterol, smoking and ensuring of a safe blood supply. (NIH-NHLBI), 1987.
- Review Committee for Cooperative Agreement proposals by state departments of health to conduct a community-based cardiovascular disease prevention program. (PHS-Centers for Disease Control), 1986.
- Review Committee for proposals to conduct a national telephone survey of physicians concerning knowledge and practice related to CVD risk factors in children. (NIH-NHLBI), 1986.
- Review Committee for National High Blood Pressure Education contract. (NIH-NHLBI), 1980.

INVITED PRESENTATIONS AT NATIONAL/INTERNATIONAL WORKSHOPS AND CONFERENCES

- Invited Panelist and Scientific Committee Member, The Menstrual Cycle and Bone Health Meeting. NIH, May, 2003.
- Invited Presenter, RFA Workshop on “Overcoming Barriers to Treatment Adherence in Minorities and Persons Living in Poverty.” NIH-NCI, NHLBI and NIDDK. April, 2003.
- Invited Presenter, Workshop on “Effects of Sleep Disorders and Sleep Restriction on Adherence to Cardiovascular and Other Disease Treatment Regimens. NIH-NHLBI, March, 2003.
- Invited Presenter, NIH – National Cancer Institute, October 2002.
- Presenter, Population Approaches to Cholesterol Control. Cardiovascular Health: Coming Together for the 21st Century. A National Conference. San Francisco (NHLBI), 1998.
- Roundtable Organizer and Chair. Cost and Policy Implications of Community Health Programming. Second International Heart Health Conference, Barcelona, Spain, 1995.
- Session Organizer and Presenter, U.S./German Joint Symposium on Cardiovascular Disease, Oberbayern, Germany, October, 1994.
- Delegate, Invited Presenter and Session Chairman, International Workshop on Cardiovascular Diseases: Prevention and Epidemiology. Wildbad Kreuth/Bavaria, Germany, October, 1994.
- Plenary Speaker, International Heart Health Conference. Bridging the Gap: Science and Policy in Action, Victoria, British Columbia, May, 1992.
- African American Lipid Council Meeting, Naples, Florida, March, 1992.
- 1991 Primary Care Research Conference sponsored by Agency for Health Care Policy and Research, San Diego, CA, January, 1991.
- 4th National Learning Community Conference: Getting Prevention to Work Among Populations at Risk for Alcohol and Other Drug Abuse. Office For Substance Abuse Prevention (OSAP), 1991.

The Alcohol, Drug Abuse, and Mental Health Administration, Washington, D.C., February, 1991.
 Site Visitor and Presenter, Working Group on Evaluation of the Federal Republic of Germany Policy Committee, Zurich, Switzerland, October, 1989.
 Cardiovascular Disease Intervention and Education - The Federal/State Partnership. A national conference sponsored by the National Heart, Lung and Blood Institute, San Diego, CA, 1989.
 The First National Cholesterol Conference. Sponsored by the National Cholesterol Education Program Committee, Washington, D.C., November, 1988.
 Cardiovascular Disease Intervention and Education - The Federal/State Partnership. Invited conference of the National Heart, Lung and Blood Institute. Richmond, VA, September, 1988.
 National High Blood Pressure Conference, Las Vegas, Nevada, 1987.
 Keynote Speaker, Canadian Heart Health Network, Nova Scotia, 1986.
 Coordinating Committee for the National Cholesterol Education Program, NIH-NHLBI, 1986.
 American Association of Blood Banks National Conference, Washington, DC, 1986.

JOURNAL REVIEWER

Editorial Board, Progress in Community Health Partnerships, 2005 -
 Editorial Board, Health Education Research - 2005
 Editorial Board, American Journal of Health Promotion, 2003 -
American Journal of Public Health, 1991 -
Journal of Health Promotion, 1987
Health Education Quarterly, 1987 -
Public Health Reports, 1986 -
American Journal of Preventive Medicine, 1986 -
Preventive Medicine, 1985 -
American Journal of Epidemiology, 1985 -
 Editorial Board, Journal of Health Promotion, 1985 - 87
Health Psychology, 1984 -

CONSULTING

Heart and Stroke Foundation of Canada, 1999 -
 Blue Cross/Blue Shield of Minnesota, April, 2003.
 Dana Farber/Harvard Hospitals Comprehensive Cancer Center Application (Mock Site Visitor). 1999.
 Health and Welfare Canada. Ottawa, Ontario, 1986 -
 Pennsylvania State University at Hershey. Chair of Advisory Committee to CARDES program: Nutrition change for low literate minority populations. (Principal Investigator: Shiriki Kumanyika). 1995 -1997.
 New England Research Institute. Intervention Consultant to the Steering Committee of the REACT study (National study of reducing delay between onset of AMI symptom and ER arrival). 1994 - 97.
 Committee of Principal Investigators, Subcommittee for Design of a National Evaluation of Province-wide Heart Health Programs, Health and Welfare Canada, 1993 - 94.
 University of California and RAND, Los Angeles, California. Increasing screening mammography through urban churches. (Principal Investigator: Sarah Fox). 1993 - 98.
 Province of Ontario, Canada, 1993.
 University of Montreal, Quebec, Canada, 1992 - 1997.
 Fred Hutchinson Cancer and Research Center, Women's Health Initiative Coordinating Center, Seattle, WA, 1992 - 94.
 Province of Alberta, Canada, 1992.

British Columbia Healthy Heart Program, Vancouver, BC, 1992.

Department of Nutrition, University of Montreal, Montreal, Canada. 1992.

Bristol Meyers Squibb Pharmaceutical Group, 1992.

University of Alabama in Birmingham School of Public Health's Year 2000 Project, 1992.

AMC Cancer Research Center, Denver, Colorado, 1991 - 92.

Research Triangle Institute/Center for Disease Control, DIRECT Project (Diabetes Prevention and Control Project), 1990 - 94.

National Health Research and Development Program, Health and Welfare Canada, Ottawa, Canada, 1990 - Designated Driver Project, Center for Health Communications, Harvard University, 1990.

Otsego-Schoharie Healthy Heart Program, Mary Imogene Basset Hospital, New York, 1989 - 93.

National Cancer Institute's COMMIT Trials. (Trial-wide consultant for 11 site community smoking cessation study), 1989 - 92.

Roswell Park Memorial Institute, National Cancer Institute-designated Comprehensive Cancer Center, 1989 - 92.

Niagara County (New York) Healthy Heart Program, 1989 - 92.

University of Massachusetts Medical School, Department of Medicine, Division of Preventive and Behavioral Medicine, 1989.

CDC - funded Community-based Chronic Disease Prevention Program, State of Maine Department of Health, 1988 - 90.

Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control, Atlanta, GA, 1988 - 90.

New York State Department of Health, Healthy Heart Program, 1987 - 92.

Eastern Maine Medical Center (Helping to establish community-wide multiple risk factor (CVD) reduction program), 1986 - 90.

Centers for Disease Control (Helping to establish guidelines for community-wide multiple risk factor (CVD) reduction programming, selection of grant recipient and program implementation and evaluation), 1986 - 89.

Canadian Heart Health Network (Nationwide network of community programming assisted by federal government), 1986 - 99.

Kaiser Family Foundation (Evaluation of national community health promotion efforts), 1986.

Vermont State Department of Health (Training workshop for community level nutrition programming, 1986.

Maine Department of Health (Community level health promotion), 1985 - 92.

Office of Prevention Education and Control. National Heart, Lung and Blood Institute, Bethesda, MD, 1985 -

Federal Republic of Germany Cardiovascular Prevention Project (Advising on all phases of massive multiple risk factor (CVD) reduction study), 1984 - 93.

MAJOR COMMUNITY SERVICE (Appointive and Elective Positions)

President, Birmingham Citizens Advisory Board, 1976, 1977 - 79; Member, Birmingham Citizens Advisory Board, 1975; President, Crestline Community Citizens Committee, 1975 - 79; President, Eastwood Neighborhood Citizens Committee, 1975 - 79; Co-Chairman, Parent Education Advisory Committee to Birmingham School System, 1975 - 77; Member, Birmingham Community Schools Advisory Committee, 1976 - 79; Member Birmingham Regional Planning Commission, 1976 - 79; Member, Mayor's Committee on Residential Street Lighting, 1975 - 76; Candidate for the Birmingham City Council, 1977 - 78; Member, Birmingham Planning Commission, 1977 - 79; Member, Zoning

Advisory Committee, 1977 - 79; Member, Neighborhood Planning and Housing Committee, 1978 - 79; Member, Public Improvements and Community Facilities Committee, 1978 - 79; Member, Personnel Committee of the Birmingham Regional Planning Commission, 1978 - 79; Member, Community Affairs Committee of Operation New Birmingham, 1978; Member, State of Alabama A-95 Review Committee, 1978 - 79; Cancer Prevention Working Group of the Rhode Island Department of Health, Cancer Care Committee, 1988; Member, Rhode Island CVD Advisory Committee, 1993; Board Member, RI Public Health Association, 1998-2001; President, Rhode Island Public Health Association, 1999 - 2000; Member, Rhode Island Council on Worksite Wellness, 1998 -; Board Member of Minority Health Program of Olney Street Baptist Church, 1999 - 2002; Oral Health Steering Committee, RI Healthy Schools! Healthy Kids! 1999 - : Board Member, RI Public Health Foundation, 2000 - 2004; RI Obesity Initiative, 2001 -; Member, Rhode Island Block Grant Advisory Committee, 2003 -

UNIVERSITY COMMITTEES

Member, Brown University Officer Conduct Review Board and Arming Oversight Committee. 2006 – Member, MPH Admissions Committee. 2003 -
 Member, Brown University Public Health Center Directors Committee, 2001 -
 Member, Faculty Computer Committee, Brown University, 1993 - 98.
 Member, Senior Faculty Committee of the Department of Community Health, Brown University, 1986 -
 Member, Graduate Education Committee, Brown University, 1988.
 Member, Policy Committee of the School of Medicine, Brown University, 1987 - 88.
 Elected Faculty Representative, University Council, University of Alabama in Birmingham, 1970 - 73.
 Member, Research Committee of the Department of Community Health, Brown University, 1984.
 Member, Faculty Committee on Equal Opportunity for Women and Minorities, University of Alabama in Birmingham, 1970 - 71.

RESEARCH FUNDING (all amounts direct costs only)

Postpartum Maintenance of Abstinence From Tobacco (As Principal Investigator) funded by NHBLI, 2004-2008, \$2,800,000.
 Reducing ETS Exposure of Pregnant Women and Newborns (As Principal Investigator) funded by NHLBI, 2003-2007, \$2,500,000.
 Hospitals – Churches Partnerships for Health Project (As Co-Principal Investigator), funded by the Donaghue Foundation, 2002-2005, \$600,000.
 Subcontract for adapting SisterTalk program for church delivery (as Project Director, funded by the Donaghue Foundation, 2002-2003, \$238,000.
 Adherence to Weight Loss for Hypertension in AA Women, (as Principal Investigator), funded by NIH-NHLBI, 2001-2005, \$1,730,000.
 Innovative Video Tailoring for Dietary Change, (as Co-Principal Investigator), funded by NIH-NCI, 2001-2005. \$3,000,000.
 Tailoring Nutrition Education for Low Income Audiences, (as Co-Investigator), funded by NCI, 2000 - 2005. \$2,100,000
 Skin Self-Examination for Early Detection of Melanoma (as Co-Principal Inverstigator), funded by NIH-NCI, 1999-2003. \$1,600,000
 Minority Supplement to Weight Control to Prevent Cancer in African Americans (as Principal Investigator), funded by NIH-NHLBI, 1998 - 2000. \$95,000.
 Weight Control to Prevent Cancer in African Americans (as Principal Investigator), funded by NIH - NCI, 1997 - 2001. \$2,224,704.

- Smoking Cessation Program for Low Income Pregnant Women (as Principal Investigator), funded by NIH-NHLBI, 1997 - 2002. \$2,232,521.
- Knowledge of Results and Cholesterol Change (as Co-Investigator), funded by the Province of Quebec, Canada, 1993 - 94. \$120,000.
- Women's Health Initiative Vanguard Center (as Co-Investigator), funded by NIH, 1993 - 2006. \$8,883,084.
- Minimal Contact Education for Cholesterol Change (as Principal Investigator), funded by NIH-NHLBI, 1992 - 98. \$2,603,197.
- Worksites, Occupational Nurses and Cholesterol Change (as Principal Investigator), funded by NIH-NHLBI, 1992 - 95. \$1,370,485.
- Competitive Renewal of Pawtucket Heart Health Program (as Co-Principal Investigator), funded by NIH-NHLBI, 1991 - 95. \$4,359,869.
- Evaluation Subcontract for a "Randomized Multicenter Study to Evaluate the Value of Scintigraphic Myocardial Perfusion Testing Using Dipyridamole Stress and Submaximal Exercise for the Prediction of Future Cardiac Events in Acute Myocardial Infarction Patients" (as Director), funded by Dupont Merck Pharmaceutical Company, 1991 - 95. \$50,000.
- Minority Lifestyle Survey (as Director), funded by State of Rhode Island, 1991. \$50,000.
- Behavioral Risk Factor Survey: Rhode Island (as Director), funded by CDC, 1991 - 92. \$35,000 per year.
- Brockton Heart Savers Project (as Principal Investigator), Peer Review Priority Score of 151 (well below pay line) vetoed by NHLBI Council following policy decision not to fund additional community level studies due to severe budgetary curtailment, 1988. \$4,700,000.
- Competitive Renewal of Demonstration and Education Research in Heart Health (as Principal Investigator), funded by NIH-NHLBI, 1987 - 88. \$73,000.
- Competitive Renewal of Pawtucket Heart Health Program (as Co-Principal Investigator), funded by NIH - NHLBI, 1986 - 91. \$10,199,906.
- Supplement to the Pawtucket Heart Health Program (as Co-Principal Investigator), funded by NIH-NHLBI, 1985 - 86. \$778,072.
- Supplement to Demonstration and Education Research in Heart Health (as Co-Principal Investigator), funded by NIH-NHLBI, 1984 - 87. \$203,846.
- Demonstration and Education Research in Heart Health (Health and Religion Project) (as Co-Principal Investigator and Principal Investigator), funded by NIH-NHLBI, 1982 - 88. \$1,056,981.
- Supplement to the Pawtucket Heart Health Program (as Co-Principal Investigator), funded by NIH-NHLBI, 1982 - 86. \$1,703,343.
- Effects of Immediate Feedback of Cholesterol Assessment in Worksites, Churches and Supermarkets (as Principal Investigator), funded by Brown University/Memorial Hospital, 1986. \$15,000.
- General versus Specific Risk Factor Change Programs (as Principal Investigator), funded by the Memorial Hospital, 1982. \$10,000.
- Pawtucket Heart Health Program (as Co-Principal Investigator), funded by NIH-NHLBI, 1980 - 95. \$17,172,301.
- Heart Health Education for Rhode Island (as Co-Principal Investigator), funded by Metropolitan Life Foundation, 1980. \$25,000.
- Parent-Child Development Center (as Principal Investigator), funded by Department of Health, Education and Welfare (DHEW) - Office of Child Development (OCD), 1974 - 78. \$2,500,000.
- Interim Evaluation of Birmingham Parent Child Development Center (as Principal Investigator), funded by DHEW-OCD, 1976 - 78. \$300,000.

Internal-External Locus of Control (as Principal Investigator), funded by University of Alabama in Birmingham, 1970. \$1,000.

Fear Arousal and Dental Health (as Co-Investigator), funded by National Institutes of Health, National Institute of Dental Research, 1969 - 71. \$150,000.
